Hi Alison-

Please see the briefing materials for tomorrow.

On OR CZARA- The briefing attached was given to Ken Kopocis last week and was prepared by OW (I updated the coversheet). Dennis has a meeting with the state of Oregon later tonight to discuss this Oregon's coastal nonpoint program (which is under CZARA); he will most likely have updated information for the Administrator during tomorrow's briefing.

I JUST received the WQS materials so don't have a coversheet yet, I can pull something together quickly if you need it. These materials were sent from Dennis to the Administrator directly last week, so this isn't the first time she has seen it.

Let me know if you need anything else!!
Kendra
